

PARC SAFARI

Autumn and winter have caused some delays to our general contractors who work hard at the completion of 2019 renovation projects.

Over the next 4 years, 24 million dollars will be invested to modernize zoological infrastructures, recreational services and guest services.

At this moment, all activities offered at Parc Safari are in operation and ready to welcome you, except for TROPICAL OASIS.

After 47 seasons Parc Safari is changing for the better.

Rest assured that we are making every effort to minimize the impact of the work and make sure you have the most memorable visit.

Thank you for accompanying us during this period of change!
