SAFARI ADVENTURE

IT'S A START!

Discover, touch and feed several hundred animals from Africa, Asia and North America.

AFRIKA TERRACE

DISCOVER AFRICA IN THE HEART OF QUEBEC!

This observation site, unique in Quebec, allows you to learn about the 54 countries that make up the beautiful continent of Africa. From this location, you can admire giraffes, cape eland, elephants, cheetahs and zebras. You can also feed the giraffes!

BIRD'S GARDEN

SEE THE GODS OF HEAVEN IN ACTION!

The Parc Safari welcomes birds of prey, all of different species: Red-tailed Hawk, Small Hawk, Harris Hawk, Rusty Hawk, Laggar Hawk, Peregrine Falcon, Great Horned Owl and Bald Eagle. They will demonstrate their power and impressive agility.

OLDUVAĪ WALKWAY

A PASSAGE RICH IN EMOTION!

From the top of a raised footbridge, you will cross three continents where you will observe African hyenas, Arctic wolves, Japanese macaques, Canadian lynxes, North American black bears and Malaysian tapirs.

FIVE CONTINENTS ANIMAL FARM

OUR FRIENDS FROM HERE AND ELSEWHERE

Domestic and wild animals are in this area.. You will see pets as well as animals that contribute to the life cycle by providing humans with food, fur, bones, thorns and even fuel.

DEER TRAIL

A TRIP TO THE KINGDOM OF BAMBI!

Observe, pet and feed dozens of fallow deer as you walk the path of this mythical animal that creates magical moments and memories for life.
